DAILY PRAYER GUIDE

2/3: Safety in traveling, smooth flights and layovers, and that all connections would be made without issue. Unity in the team as they grow their bond through traveling together.

2/4: For growing anticipation of the team for what the Lord will do during their time. Pray for health over their bodies and ease of transition through time zones.

2/5: Pray that everything they packed arrives safely in Kathmandu. Pray their hearts are open to the Lord, and that they are moved to compassion as they encounter new people and a new culture.

2/6: Today the team will be going on a day-long tour through Kathmandu that explains Nepal's history and how human exploitation grew to where it is today. It's a powerful tour. Pray that they are fully present for these stories and that they see the Lord's hand through such difficulty.

2/7: Pray the Lord would give the team energy and a spirit of willingness as they spend time with the girls at the Mukti home. These girls have been through unimaginable trauma and have been rescued and placed with Mukti for care and healing. Pray for an overflow of JOY!

2/8: Pray that the team would be sensitive to the prompting of the Holy Spirit in the small things. Pray for their hearts to be encouraged of their purpose in Kathmandu, that every single person would have an encounter today from the Lord.

2/9: Pray the Lord would give them vision on how to exhort the Mukti staff. Tomorrow they will be hosting a prayer event to serve and care for the team that takes care of the girls.

2/10: Pray that as the team encourages the Mukti staff that their own hearts are touched. Pray the nearness of the Lord and that they are able to usher in healing and breakthrough from the Spirit. Pray the Mukti staff would be refreshed to continue the work.

2/11: Pray for the new transition home as we help prepare it for the girls who are ready to take steps toward greater independence. Pray that it is a place of salvation, healing, and growth.

2/12: Pray for the team's hearts to be open to what the Lord is revealing to them through His hands and feet in Nepal!

2/13: Pray for the team to savor their last moments in Nepal, that the Lord would move in miraculous ways in these last hours. Pray that the Lord would strengthen the connections that they've made there.

2/14: Pray for safe travels for the whole team and that the Lord would prepare our hearts for the return to the States. It can be quite a reverse culture shock when coming home. Pray that they would draw near to the Lord through the process.
