

Good Morning,

Happy Monday!

It's been a few weeks since my last prayer email was sent out. TBH I've been holding back due to the number of emails you've been getting regarding our upcoming Unity Luncheon on Thursday. But I couldn't take it any longer 😊

This week's prayer request:

- *Unity Luncheon Thursday, 23rd:* Please pray the greater message gets across - that we're not just simply asking for funds to support the ministry - we're praying for something bigger - that when people leave that room on Thursday, THEY'RE asking God, "What do you want me to do?" **Our obedience to His calling is our greatest obstacle today and our young people need examples to follow.**

Upcoming prayer request:

- *Revival Week, November 10th-14th:* We have roughly 30 student leaders from eight schools committed to leading a special 3-day event inside the school, during school hours. The Gospel will be shared with anyone and everyone and we are praying for God to redeem our campuses from the inside out. **Would you join us in praying, planning, and partnering with us to make this happen?**

Lastly, I want to welcome everyone who recently subscribed to our weekly prayer/update email.

I hope you all have a fantastic week, and I look forward to seeing some of you on Thursday!

In His grip,

Andrew Slack | Area Director – Williamson County
