Greetings in the name of our Lord Jesus Christ,

It's hard to wrap my head around the fact that it has been two years since Whitney first showed up at the Gospel Mission, but it has. This month Whitney celebrated two years of sobriety which she gives credit to the healing power of Jesus Christ.

When Whitney came to the mission she had spent the last twelve years of her life addicted to heroin and methamphetamine and even lost the custody of her children. At the Mission she committed her life to Jesus and He faithfully not only healed her but restored her children to her.

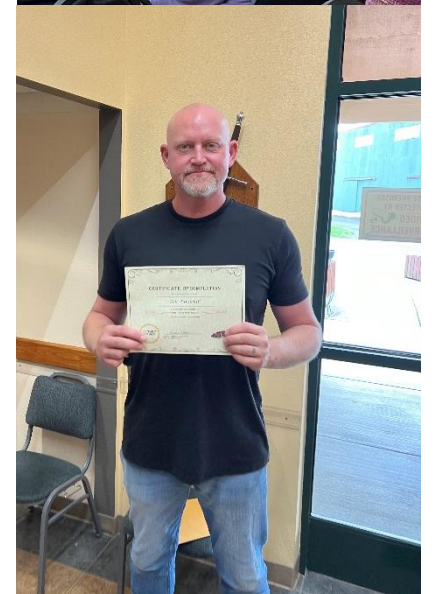

Today Whitney works as a Traditional Health Care worker here at the Mission, the very place she got sober. She uses her lived experience to help others navigate the pathway to wholeness by helping residence with doctors appointments, birth certificates, drug and alcohol counseling and so much more. The Mission has even been blessed to have her share at Chapel.

Way to go Whitney! The Mission is blessed to be part of your journey.

The praise report continues with Eric. Eric has been at the Mission for five months now and is in the Discipleship Program. Eric has been in recovery for a couple of years now after having gone through a divorce and struggling with direction. He came to the Mission with a desire to turn his life over to Jesus Christ.

Eric is in the Discipleship Program and is a real Soldier for Christ. While working at Wal-Mart and serving here at the Mission he attended Coast Truck Driving School. Here he is holding up his diploma. Eric is now a certified commercial truck driver!

Eric says he couldn't have done it without the Mission and all the support he has received. He would like to thank the Mission and the donors, Shelby from South Coast Business who helped with the grant to pay for half the schooling, Esmeralda from the Employment Dept. who also helped pay for the school and Mike the owner and instructor of Coast Truck School.

Thank You!

Our names are Kerry & Jamie Dean.
We have been at the mission since
Sept. 22 of this year. We have seen
God's provision in that He opened the
doors for my husband Kerry to work
at our local hospital. Our prayers
are that our background checks would
come back soon so that we can move
forward with housing that we were
offered. Our ultimate prayer request is
that all our children would come to
know Jesus.
