

HOPE AND SOAP

DISCIPLESHIP BLUEPRINT FOCUS: SERVE OTHERS

OVERVIEW

This ministry provides bags of toiletry items to people in need who visit our Food Pantry. Many families are struggling to provide food for themselves and most food banks don't have toiletries. This ministry will meet that need and bless all those who come to get food.

TO GET INVOLVED

Twice a year bags will be available for people in our congregation to pick up and shop for the items on the list found in the bag, either for a man, woman, or child. Once the bag is brought back, it will go into the Food Pantry for distribution.
