

THRIVE

Prayer Guide

We are looking forward with anticipation to our Women's Conference, THRIVE, coming this November. As we prepare, we invite you to partner with us in prayer—asking the Lord to guide every detail and to prepare the hearts of women from Calvary Chapel Cheyenne, Calvary South, and Harriman Chapel who will be gathering together.

- Ann Murray, our keynote speaker – Pray that God would guide and bless her as she prepares the messages He has for our women. Ask that the Word would come alive in her heart first, bringing her joy and refreshment, and that He would anoint her to speak with clarity, power, and encouragement.
 - The conference planning team – Pray for unity, creativity, and discernment as they prepare. Ask that every detail would come together smoothly and that the Lord would be glorified through the process.
 - Our food team – Pray for ease in preparation, wisdom in planning, and perfect timing as they organize and serve meals. Ask that their efforts would create an atmosphere of fellowship and hospitality that points women to Christ.
 - Advertising and promotion – Pray that the announcements would reach the women who most need this weekend. Ask the Lord to remove obstacles in their schedules, provide resources, and stir in them a desire to join us—so they can be refreshed, empowered, and equipped for their current season of life.
 - Our vendors, Erica and Kenzey – Pray that God would strengthen and energize them as they prepare. Ask that their presence and gifts would bless the women attending, and that they would also be encouraged by their time at the conference.
 - The worship team – Pray that God would fill them with His Spirit as they prepare and lead us in worship. Ask that their songs would set the tone for the weekend, drawing every heart closer to Jesus and creating space for His presence to move powerfully.
 - All women who will attend – Pray that hearts would be open to receive what God has prepared. Ask that each woman would leave encouraged, strengthened in her faith, and transformed by the truth of God's Word.
