## 💬 **Need to Know:**

**God Is Love.**

---

## 👉 **Fantastic 5 (1 John 4:7–21)**

1. The Bible teaches us that real love comes from God, because God Himself is love.
  2. We can know what love looks like because God showed it by sending His Son, Jesus, to save us.
  3. When we believe in Jesus, God's love lives in us and changes the way we treat others.
  4. God calls us to love one another—if we truly love, it shows that we belong to Him.
  5. Perfect love drives out fear, and because of God's love, we can love Him and love others with confidence.

## **Parent Challenge**

This week, share with your child a story about a time when you experienced God's love through someone else's kindness or forgiveness. Talk about how that moment helped you understand God's love more deeply.

Read 1 John 4:7–21 together and remind your child that we can love others because God first loved us. Encourage your child to think of one person they can show love to this week in a practical way—through words, actions, or prayer.

Pray together as a family, asking God to fill your hearts with His love and to help you share it with everyone around you.

## **We're Better Together!**

Thank you for partnering with us and entrusting us to pour into your child's life. We are grateful for the opportunity to help your child discover Jesus, grow in their faith, and build a foundation that lasts a lifetime. We love that we get to do this together, and if there are any tools you may need, please let us know. We would love to help you grow as well.
