

SUNDAY REPLAY!

Your Kid's Weekly Faith Recap – Sunday Replay! Where we take what was learned in KidZone and bring it home! This is Week 2 of our Guess Who? series!

Hi Parents! 🙌

Here's a peek at what your amazing kid learned this Sunday in KidZone. Use this guide to talk about it at home this week and grow in faith together!

🧠 **Memorize Me:**

"I will make them want to know Me. They will know that I am the Lord. They will be My people, and I will be their God." - Jeremiah 24:7

💬 **Need to Know:**

God Is Our Provider.

👉 **Fantastic 5 (Exodus 16:4–17:7)**

1. After the Israelites left Egypt, they started to worry because there was no food or water in the desert.
 2. Even when the people complained, God heard them and promised to take care of their needs.
 3. Every morning, God sent manna—bread from heaven—for them to eat, and quail in the evening for meat.
 4. When they were thirsty, God told Moses to strike a rock, and water flowed out so everyone could drink.
 5. God showed His people that He is faithful and will always provide exactly what we need when we trust Him.

Parent Challenge

This week, talk with your child about a time when God provided for your family—maybe through an answered prayer, a need met at just the right time, or a blessing you didn’t expect.

Read Exodus 16 and 17 together and remind your child that God took care of His people even in the desert. Help them see that God provides for us too—sometimes in surprising ways!

Encourage your child to pray each day this week, thanking God for something He has given them. At the end of the week, look back together and celebrate how God has been faithful to provide.

Pray as a family, thanking God for being your Provider and asking Him to help you trust Him more every day.

We're Better Together!

Thank you for partnering with us and entrusting us to pour into your child's life. We are grateful for the opportunity to help your child discover Jesus, grow in their faith, and build a foundation that lasts a lifetime. We love that we get to do this together, and if there are any tools you may need, please let us know. We would love to help you grow as well.
