

TOGETHER

We can foster a supportive environment, where immigrants and refugees can deepen their relationship with Christ.

Brought to you by the Committee on Representation, supporting the "full expression of the rich diversity of the church's membership."

ABOUT A LIGHT TO THE NATIONS

We are a ministry supported by the Presbytery of Scioto Valley, dedicated to serving all 84 churches within the presbytery.

We receive support from Worthington Presbyterian Church, where our office is located, and where we hold our worship service.

We partner with churches and worshipping communities that serve immigrants and refugees throughout the presbytery.
