

Welcome to Worthington Presbyterian Preschool's registration! Open Enrollment for the 2024-2025 school year begins on January 8, 2024 and continues until we are at capacity. After January 8, paperwork can be submitted through our online registration system, however, the registration fee (\$60 per child or \$80 per family) must be paid via cash or check to officially secure your child's spot.

This year, we have partnered with Brightwheel to provide an easy to use online registration system. We will be using Brightwheel to process all registrations AND throughout the school year to support more efficient communications among families, teachers and staff. Brightwheel provides a simple way to stay connected to your child's learning and development by creating greater visibility into your child's day with photos, videos and progress reports.

Easy Steps to Set Up and Start Using Brightwheel

1. Click the *2024-2025 Registration* link and you will be taken to the WPPS page on Brightwheel. Once there, create your family account and the required registration paperwork will become available to you. Once you have created a family account, in the Student Profile section, you can add your child's photo, birthday, Approved Pickups/Emergency Contacts etc.
2. There are 5 "Steps" in the registration/paperwork submission process, and the Brightwheel system will walk you thru each simple step. And of course, let us know if you have any questions.

The only items we need to secure your child's spot are the WPPS Registration Form filled out, the Tuition/Enrollment Policies Agreement signed and the Registration Fee paid. All other paperwork and fees are not due until May 1, 2024.

We look forward to welcoming you and your family to WPPS. Please do not hesitate to reach out to us if you have any questions or would like to set up a visit/tour of our little slice of "Preschool Heaven."
