Connection

Annie Barner

Interim Coordinator for
Children's Ministries

If you ever stop by our church nursery on any given Sunday, you might be amazed to see bubbles flying everywhere. As you might guess, our children love it! As I recently watched them laugh, reach for, and pop many of the bubbles, I was reminded how childhood is made up of many small, fleeting moments that are worth treasuring. Bubbles remind us that joy often comes in the simplest forms, and what a gift it is to see God's love reflected in the laughter of our children. Unlike bubbles, God's love for us and for our children never fades away. As we watch our children grow into a new school year and delight in simple joys, may we also pause to thank God for the gift of today and the everlasting love that holds our families. May your family be filled with joy and grounded in the steadfast love of the Lord in all the moments this school year brings.

3rd Grade Bibles

Each year, WPC gives each of our 3rd graders their very own Bible. This group of children is also invited to attend a Bible class during Sunday School on this day. 3rd grade families, please be on the lookout for the mailing sent to your child this week for more information. If you or someone you know has a 3rd grader that would like to receive a Bible this year, please let Annie know. Bibles will also be available September 14th and 21st in the fellowship hall for church members to come and highlight their favorite verse in. Make sure to stop by!

Volunteer

- Our Preschool Sunday School class and church nursery are still in need of volunteers for the 2025-2026 school year. If you are interested in helping, please let Annie know. Volunteers can help as available, or once a month!

Begins again in September! This year we are excited to welcome a different choir member each month to lead the children in music as we continue learning how to praise God together. Wee Worship meets the first Sunday of each month and is for Preschool – 3rd grade.

Our Sunday School children helped make flood relief buckets this past Sunday! We learned about how Jesus calmed the storm and how we can help others going through storms. Stop by the church office if your family would like to help make a flood relief bucket at home.
