

The Kroger Family of Companies is committed to community engagement, positive social impact and charitable giving at the national and local levels. One of the ways in which we do this is through our **Kroger Community Rewards program**. This program makes fundraising easy by allowing you to donate to WPC based on the shopping you do every day. Once you link your Kroger Rewards Card to WPC, all you have to do is shop at Kroger and swipe your Shopper's Card. Here's how it works:

- Create a digital account (If you already have an account, skip to next section)
  - A digital account is needed to participate in Kroger Community Rewards. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply towards WPC.
- Link your Card to an organization
  - Selecting WPC is as simple as updating the Kroger Community Rewards selection on your digital account.
    - Sign in to your digital account.
    - Search for WPC or enter in the code "84332"
    - Once you have found WPC, click "Save".
- WPC Earns
  - Any transactions moving forward using the Shopper's Card number associated with your digital account will be applied to the program, at no added cost to you. Kroger donates annually to participating organizations based on your percentage of spending as it relates to the total spending associated with all participating Kroger Community Rewards organizations.
