Sunday, July 20, 9:30 - 10:30 a.m. in the Chapel (no zoom)

Recordings will be available on YouTube the following Tuesday

This summer, these young people have been serving in various organizations across the city as “an exploration of the Christian faith and its implications for urban service and social issues.” We will have an opportunity to hear about the history of this program, its place in our stained-glass windows, and about the ways in which this internship has impacted the lives and pathways of discipleship of each intern.

Would you like to be part of this important team? The more the merrier! We believe this structure will strengthen relationships between our children and adults. Write “Class Team” on your WRC if you’re interested, or have any questions!
