### Engagement - Lecia Shockley, Chair

Three new member dinners were held in January. The dinners marked the first get togethers since the start of the pandemic. Shockley advised her ministry plans to host Starting Point dinners for new members every couple of months. The dinners provide an opportunity for new members to learn more about the opportunities associated with membership. Shockley also reminded Session that new members are hosted in the parlor every Sunday morning and elders are welcome to join at 10:30 a.m. Connection tables will continue to be set up on the green on Sunday mornings. Different ministries will host on a rotating basis. It is anticipated that a new visitor's page will appear on the church website by Easter.

#### Mission and Outreach - Tim Kendrick, Chair

Kendrick began by explaining the ministry's 2003 goals which include leadership's commitment to invite at least 100 church members not currently engaged in outreach to attend an event or endeavor, creation of leadership succession plans for all partnerships and ministries and examination and evaluation of the health of all international partnerships using the Curve Analysis Tool. The ministry is working to identify members to host Stapleton/Davidson interns for ten weeks over the summer. Finally, four mission trips have been planned. The Avery County mission trip to be led by Scott Roehrig is full. Sven Bader and Nikki Zimmermann will lead the Yucatan/Accion Ministries trip in June. # COVENANT PRESBYTERIAN CHURCH SESSION INFORMATION ITEM SUMMARY

Subject: Treasurer's Report From: Liz Ward, Treasurer

# Covenant Presbyterian Church Monthly Financial Comments March 2023

#### **Income Statement Comments**

The main impacts of the March Income Statement are outlined below.

<u>Income</u>: Income in the month of March was below expectations by (\$91k). The primary contributor to this variance is pledge receipts were (\$97K) lower than budgeted – but we are still ahead of historical giving at this point in the year as a % of budget. Many contributors give at irregular intervals, as noted by the fact that YTD we are only (\$35K) below budgeted pledge receipts. We will keep an eye out for a potential increase in contributions after the 1<sup>st</sup> quarter closes. Net income from ministries was positive for March and ahead of YTD budget, which offsets some of the variance in giving receipts. Cumulative YTD Income, including the NC Stabilization grant, continues to be ahead of budget by \$65K (and ahead of prior years as a % of annual budget).

**Expenses:** March expenses were approximately \$28K over budget, however most of this is attributable to expenses in the CDC that are covered by the NC Stabilization grant. When you adjust for the CDC variance (\$25.6K), March expenses were only (\$2.4K) over budget and these were due to timing variances. All ministries are currently operating within their YTD budgets. Administration continues to see higher insurances expenses, but these have been offset by lower property maintenance expenditures. YTD expenses continue to be below budget (\$7K).

March was a particularly busy month for the worship ministry, open table and both youth and adult retreats! Our missions' team was focused on international activity with a mission trip to the Yucatan and supporting our partners at the Renguti School in Kenya and Tomorrow's Youth Organization.

<u>The Bottom Line:</u> Although net income for March was projected to be negative, actuals were lower than expected at (\$171K) vs (\$52K). When you remove the CDC expense overage discussed above, the primary contributor of this variance is the pledge receipts as noted above.

Year to date, net income is still \$73,059.17 above plan. Timing continues to be a major consideration and we will continue to monitor as we move into the 2<sup>nd</sup> quarter.

#### **Balance Sheet Comments**

Significant changes in the Balance Sheet as of March 31, 2023, as compared with February 28, 2023, were as follows:

**Line 22:** Reflects regular change in account based on activity and includes disbursements for the window repairs.

Lines 26 & 32: Reflects a drop in market performance during February.

**Line 28:** Immaterial change.

**Line 36**: Reflects decrease in cash primarily from March Net Income.
