Apply to be a People In Mission summer intern!

This summer, come practice faith with your feet on the ground.

Covenant's People in Mission summer program invites college students to step into the life of the city partnering with mission organizations across Charlotte, learning alongside neighbors, and working closely with members of Covenant's Mission & Outreach team. It's shared work, honest questions, and the slow, sacred work of showing up. If you're curious about ministry, justice, community, or how faith takes shape beyond the classroom.... this might be for you! Write "PIM" on your WRC to learn more.

Centering Prayer will continue in January

Wednesdays in the Parlor from 12:30-1pm.
