Be sure to follow along with the Family Discussion Guide to engage with the study at home. Scan the QR code below to preview the study and access the resources. Lise will be at the Connection Center after each service today with paper copies of the Family Discussion Guide available to you at no cost.

EXTENDING OUR LOVE

There are many people who have been a part of our church body for years, who have served in different capacities, who have prayed for our body, and been able to be here with us in person as we worshipped on Sunday's or throughout the week. But with age, and the inability to get out, they are now with us in spirit as they are worshipping from their homes. But we never want those that are not able to be here in person to feel forgotten. We have created information sheets to help our congregation connect that are available at the Connection Center titled 'Extending our Love.' We are hoping this gives everyone the opportunity to continue to encouraging our aging saints!

FAITH BASED PREGNANCY & INFANT LOSS SUPPORT GROUP

The Whatcom Pregnancy Clinic is offering a FREE 5 week support group Monday's March 3-31, from 6-8:00 p.m., in Bellingham, called "Through The Darkest Valley". This group is for mom, dad, or both. During the group people will discuss their loss story, how it may have impacted their relationship with God, friends, family or the many other areas of their life that grief can affect. If you are interested in more information or to register, email MeganM@whatcomclinic.com.

Discussion Questions:

In what ways have you personally tried to fit God into your own understanding or preferences? What does it look like to embrace God for who He truly is, beyond our own limitations?

How can having a limited or incorrect view of God impact how we live out our faith? What are the dangers of reducing God to something we can manage or control?

Why is it important to understand that God is beyond our comprehension? How does this affect the way we approach Him in prayer and worship?

How do we sometimes try to make God fit into our lives on our terms, like picking and choosing what we want to follow? How can we better embrace the fullness of who God is, even in difficult moments?
