Growth Questions

These questions are to help you apply each week's message to your life and to help others do the same. Can being honest and vulnerable about your life be intimidating? Is it OK to struggle and have real questions? The answer to both questions is "Yes." Growth Groups are meant to be safe places where we share our answers to the questions below in order to help people know, love & serve Jesus better, together. If you're not in one, email Pastor David Mataya (david@redeemeraz.org), and ask about availability. If you missed this or any message, you can go to our website, iTunes, Spotify, Facebook page, or our YouTube channel to get caught up.

- 1. How might the truth of Jesus' sonship affect our faith, worship, and daily life as believers? In what ways can embracing this reality encourage us today?*

- 2. How does the call for angels to worship the Son challenge common misunderstandings, including Mormons, about angels and Jesus? What implications does this have for our own worship?*

- 3. How does the description of the Son's throne as eternal and righteous deepen your understanding of Jesus' divine authority?*

- 4. In what practical ways does recognizing Jesus' eternal kingship and just reign impact your faith and daily life?*

- 5. How can we identify and correct spiritual drift in our own lives?*
