

We must understand:

1. The _____ of _____
2. The preeminence of _____ things & the _____
3. The _____ of God's people
4. The need to offer _____ for life and the things pertaining to it
5. Today's church suffers from a form of "_____"

The Root of the Problem:

The American Church has abandoned the Hebrew mentality of "_____" and adopted Greek Gnostic "_____"

- The Greeks viewed the spiritual as "_____" and the physical as "_____".
- They believed only the _____ could be redeemed – not the _____ which was "earthly".
- This led to the heretical belief that Christ did not come in the _____. How could the holy/pure (spirit) combine with evil (body)?
- They theorized that Jesus was only a _____ – not a _____, or that the Spirit of Christ came upon a man named Jesus at His _____ and left when he was on the _____.

This mentality of _____ the spirit from the physical also led to the conclusion that you can separate your _____ you from your _____ you. In fact, the Gnostics said, "Sin all you want in your body, as long as your heart is pure."

We have an _____ to _____
