## This image shows a full page of blank, lined paper. It features approximately 28 horizontal blue or grey lines spaced evenly apart, typical of standard notebook paper. The lines extend across the entire width of the page, leaving small margins at the top and bottom. There are no vertical lines, text, or other markings on the page.

## ADAM GOMEZ, PASTOR

Adam grew up in the Chaffee Park neighborhood of North Denver. His teenage years were filled with fist fights, house parties, and heavy alcohol and drug use. In 1994, he was involved in an alcohol-related car accident that nearly cost his life. In November of 1995, God dramatically changed his life forever! Adam now serves as our pastor here at Crossroads. To connect with Pastor Adam, email him directly at
