Angered By Grace
Jonah 4
March 16, 2025

Pray:

Praise

- Has the Lord opened a door for you to share the love and truth of Christ with someone in the past few weeks?

Review

- What are the common traits of Jonah, the older brother of the prodigal son in Luke 15, and the pharisees in John 9?
- How do you perceive God's grace and mercy through God's interaction with Jonah in Chapter 4?
- How do you reconcile the mercy of God with the justice of God? John 3:14-17 & Romans 3:23-26

Reflect

- *Do I care about the souls of people?*
- *Do I care if they perish?*
- *Do I despise any individual or group of people?*
- *Do I do anything to reach individuals and groups of people with the gospel?*
- *Does my heart look like God's heart?*

Respond

- Pray for God to change our hearts to be like His: holy, gracious, and merciful.
 - Pray for God's saving grace on the unbelievers in your circle, and for doors open to love them and share the words of grace with them.
-
