

Our children prayed fervently for their new church and now they are enjoying the fruits of their faith. Every week the kids are learning through age-appropriate lessons about God's love and how to apply his truths to their life. Many parents have shared how their kid's excitement to come to church is what has led the family to grow closer to God and with each other. Great things are happening in our children's classrooms!

We are building up the next generation of leaders through our youth nights. Our youth face unique challenges in the world today and we are equipping them to know who they are in Christ. We are helping to connect them with God so he can lead them to the bright future he has prepared for them.

It was an honor to have many of our friends, community leaders, City of Pharr officials and the Pharr Chamber of Commerce board join us for our ribbon cutting ceremony. This was a momentous occasion as we celebrated this great work, prayed for our new building and kicked off our grand opening.

Thank you for your generosity. You are making a difference!

Celebrating 2024

This was a historic year as we opened the doors to our new home! The journey began many years ago when two people left Houston in obedience to pursue a God given vision to reach people, change lives and make a difference here in the Rio Grande Valley. We are grateful to the Lord and the faithfulness of our church family who has prayed, sacrificed, and served to make this vision a reality. **Together, we have accomplished a great thing!** God has enlarged our territory and blessed our faithfulness. This is the beginning of the next chapter. We are excited to see the lives that will be changed, the dreams that will be discovered and the plans that God has to bless your family and our community in the years to come. We will grow and build from here!

Pastors Rudy & Annemarie

Jesus said his heart was to seek and save the lost and that is exactly what we are doing. We have welcomed hundreds of new people and shared the life changing good news of Christ. In the first few months since moving in, we have had sixty people take the step of Baptism. Every week we are helping to save the lost, heal the broken and bless the faithful.
