Giving like God

Do you have all of your gifts bought for Christmas? It is so easy for these things to slip up on us before we know. One of the most exciting parts of this time of year is the giving and receiving of gifts – until you become the person buying all of the gifts! It's not even just the money, it is the time it takes to purchase all of the gifts and making them something "meaningful" to the person. This gets even harder as we consider how blessed we are... how do you give something to the person who has everything?!?!

I think sometimes giving to God is this way for us. We think, "What can I give God that He doesn't already have?" Well, we can't! God has and makes everything, so there is nothing we can give Him that He doesn't already have – except the one thing He is really asking us to give. Ourselves. We have to choose Him over everything else in this world. By choosing to give ourselves to Him in our commitments, our time, and our resources, we follow the example He has shown us – He gave us His own son! We need to learn how to give like Him, totally and completely. Praise God for His great gifts!
