

**HOW THE WORLD WILL KNOW**

**SOLO**

I look out on\_\_ the horizon, take breath into my lungs.

I see the Father’s creation, a reflection of His love.

**CHOIR**

Still I feel anxiety rising, more than ever before. A divided generation what used to work is not enough.

This is how the world will know, how everyone will truly see that Jesus Christ is\_\_ Lord.

They’ll see it through our unity! Whoah! \_\_\_\_\_

Make peace whenever you can. Help other to do the same.

Let’s give all that we have for peace in Jesus name.

‘Cause we’re fractured more than ever, entrenched in our own views.

It’s hard to cut through the noise, but we need to hear the truth.

This is how the world will know, how everyone will truly see that Jesus Christ is\_\_ Lord.

They’ll see it through our unity! Whoah! \_\_\_\_\_

Whoah! \_\_\_\_\_
