

## IT'S OKAY

### SOLO

Raindrops sliding down the window pane, the sun is hiding till another day.

This cloudy feeling is hard to explain. Does anyone else ever feel this way?

### CHOIR

Oh, \_\_\_\_\_ raindrops fall. Oh, \_ I hear them call.

Creation's chorus sings to the Lord who made them all.

It's okay if there comes a day when you're not okay. But even when \_\_\_\_\_ God feels far away, I will walk with you\_ till a brighter day. \_\_\_\_\_

**BEE 1:** (spoken) Blessed are those who mourn, for they will be comforted. Matthew 5:4.

### CHOIR

Oh, \_\_\_\_\_ raindrops fall. Oh, \_ I hear them call.

Creation's chorus sings to the Lord who made them.

God is there in the hurting. He is there in the pain. God is there in the suffering. He remains the same. Comfort is coming\_\_\_ He will wrap you in His arms. Mercy is running to soothe the scars. \_\_\_\_\_

It's okay if there comes a day when you're not okay. But even when \_\_\_\_\_ God feels far away, I will walk with you\_ till a brighter day. \_\_\_\_\_
