UNLIKELY PRELUDES TO THE END

THE REGATHERING OF THE JEWISH PEOPLE (DANIEL 9:26-27)

"The modern return of the Jewish people to the Land of Israel has been called the "Miracle on the Mediterranean." Such a return by a people group that had been scattered among the nations is unprecedented in history. Indeed, the Jewish People are the only exiled people to remain a distinct people despite being dispersed to more than 70 different countries for more than 20 centuries. The mighty empires of Egypt, Assyria, Babylon, Persia, Greece, and Rome all ravaged their land, took their people captive, and scattered them throughout the earth. Even after this, they suffered persecution, pogrom, and Holocaust in the lands to which they were exiled. Yet, all of these ancient kingdoms have turned to dust...but the Jewish people whom they enslaved and tried to eradicate live free and have again become a strong nation." -Randall Price
