“Our Dear Christ Enters In”

In any given year, approximately 131 million Americans travel home to visit family and friends. For many going home means get-togethers, extra food and cookies, and gift exchanges. Unfortunately, many times in the hustle and bustle of home life, the spiritual blessings of Advent and Christmas get buried in the trappings of the season. What if our goal this year was to simply let our dear Christ enter into our homes and into our lives? How does his entry into the world speak into and even change our approach to this season? In this special series for Advent and Christmas, we look at what happens when Christ enters in and makes our hearts his home.

Week 1: Family Tree – Jesus enters into a unique family tree that demonstrates to us how blessed we are to be a part of the family tree of God because of him.

Week 2: Home Hurts – In this broken world, our homes are not immune from hurt. But Jesus enters in to comfort and heal us when we encounter pain and suffering.

Week 3: Baby Names – We contemplate the name *Jesus*, which was given to him at his birth. It is a reminder to us of his reason for entering in to our world: He came to save us.

Week 4: Company Comes – We prepare our hearts for the coming of Jesus just as we get ready when company comes to our homes.

Christmas Eve: Great Joy – With great joy we welcome him into our lives and remember that he has come to prepare a home for us forever.

Christmas Day: In Our Hearts – We, like Mary, ponder the events of this day, treasuring them in our hearts.

God’s Blessings,

Pastor Nyck Greig

Trinity School News

Grandparents Day

Grandparents Day at Trinity was a wonderful celebration! With two special events—one for PreK and one for K thru 8—we welcomed about 250 grandparents and special adults to join us for chapel, enjoy snacks, and take part in fun activities with their grandchildren. There was wonderful music by several classes and the Alleluia Choir, to make the event even more special. We thank God for the gift of grandparents and the love, faith, and wisdom they share with our students!

Parent Pulse Survey Program

Parent Pulse is a national parent survey organization. It is an ongoing feedback tool designed to help Trinity stay connected with families throughout the school year. Several times a year, parents are invited to share their thoughts through a short, anonymous survey, giving us helpful insight into what is going well and where we can continue to grow. We are grateful for the thoughtful responses we've received so far—they encourage our staff and help guide our planning. Below are a few of the positive comments shared by parents in the most recent Parent Pulse:

- *"Love the teachers, atmosphere, Christian values and the small family-like community within the school."*
- *"Trinity has great values and is dedicated to the students and families."*
- *"We appreciate everything you do for the students of Trinity. Your hard work does not go unnoticed."*
- *"The school offers small class sizes which gives more opportunity for one-on-one instruction for students. The school teaches great Christian values and offers a variety of extra curricular activities."*

** For the 2024-2025 school year Trinity received a Parent Choice Award from Parent Pulse, which means that Trinity's scores were among the highest in the nation.**

Sweet Treats for Trinity Staff

As a fun way to show appreciation for our Trinity teachers, we recently gathered a list of each staff member's favorite sweet treat. We're sharing that list with the congregation so that, if you feel moved to do so, you may surprise a teacher with a small goodie anytime during the year. Your kindness and encouragement mean so much to our hardworking staff, and even a simple treat can brighten their day. Thank you for supporting and loving our Trinity teachers!

Some teacher favs are: Sweet Tart ropes, Justin's PB cups, Reeses cups, anything with caramel, Dove chocolate, Smarties, orange candy, chocolate, Kit Kats, cupcakes, M+Ms, ice cream, dark chocolate, Twix, Butterfinger, donuts.

Basketball and Cheer Underway

Basketball season is underway at Trinity! This year we have two JV teams—boys and girls—who are already working hard and showing great teamwork. Our varsity boys team is competing once again in the Western New York Christian League, and we're looking forward to an exciting season of growth, sportsmanship, and school spirit! We also have a Cheer Club for girls in grades K-2. They cheer at the home games, and really inspire the players and crowd.

Hope Willert Leads Chapel

At chapel on 11/19, we were blessed to hear from Trinity alumna **Hope Willert**, a missionary serving in Zambia. Hope shared about her exciting and varied work at Poetice—teaching students, leading youth, and even helping with well-digging when needed! She explained that everything their ministry does, whether in words or actions, is designed to help people know Jesus. Hope shared **Colossians 3:23: "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters,"** and encouraged our Trinity students to consider how they can share the love of Jesus right here in the Buffalo area through the way they live, work, and speak each day. Hope needs to raise funds for her next year in Poetice. To help with this she has a Pancake Breakfast fundraiser coming up on Sunday. Check out the details below.

Media Fact Sheet

What Is Stephen Ministry?

Stephen Ministry is a complete system for training and organizing laypeople to provide one-to-one care to hurting people in the congregation and community. There are three main groups of people involved in Stephen Ministry:

- **Stephen Leaders** are lay leaders, church staff, and pastors trained by Stephen Ministries St. Louis to direct their congregation's Stephen Ministry.
- **Stephen Ministers** are lay congregation members trained by their Stephen Leaders to provide care to hurting individuals.
- **Care receivers** are people who meet with a Stephen Minister to receive care while experiencing a difficult time in life.

The name Stephen Ministry comes from Stephen, one of the first laypeople commissioned by the Apostles to provide caring ministry to those in need (Acts 6:1-7).

The History of Stephen Ministry

Stephen Ministry began in 1975 when the Rev. Kenneth C. Haugk, Ph.D., a pastor and clinical psychologist, trained nine members of his St. Louis church to assist him in providing Christian care and support to people, both in the congregation and the community, who were experiencing life difficulties. These first Stephen Ministers were so excited by the ministry that they encouraged Dr. Haugk to offer Stephen Ministry to more congregations.

On November 3, 1975, Dr. Haugk and his wife, Joan, founded Stephen Ministries St. Louis as a non-profit organization. At first, Dr. Haugk traveled to other congregations to train their Stephen

Ministers himself. However, due to the ministry's rapid growth, in 1978 Stephen Ministries began holding Leader's Training Courses to equip Stephen Leaders, congregation representatives who would then train and supervise their own congregations' Stephen Ministers. Since then, Stephen Ministries St. Louis has used this "train the trainers" model to empower thousands of congregations and other organizations to begin and grow Stephen Ministry.

How Stephen Ministry Works

Stephen Ministry in each church is led by Stephen Leaders—lay leaders, church staff, and pastors who are trained by Stephen Ministries St. Louis through the online Bridge Leader's Training Course. Following their training, Stephen Leaders recruit and select laypeople from their congregation to serve as Stephen Ministers.

Stephen Leaders then train their congregation's Stephen Ministers, covering topics such as listening, understanding difficult feelings, maintaining confidentiality, and ministering to people in specific situations, including grief, divorce, medical crises, terminal or chronic illness, infertility and other family issues, and more. Stephen Ministers also learn to recognize when a care receiver may need care beyond what a Stephen Minister is able to provide and how to work with Stephen Leaders to make referrals to the appropriate type of care.

After completing training, Stephen Ministers are commissioned by their congregations and matched with care receivers by their Stephen Leaders. A Stephen Minister typically meets with their care receiver once a week for about an hour, for as long as the need for care persists. Stephen Ministers also meet regularly with their

Stephen Ministry Statistics

These statistics are updated annually.

- **Congregations:** More than 13,000 congregations are enrolled in Stephen Ministry. They represent 187 different Christian denominations and come from all 50 states, 10 Canadian provinces, and 30 other countries.
- **People:** More than 75,000 pastors, church staff, and laypeople have been trained as Stephen Leaders. These Stephen Leaders in turn have trained over 600,000 congregation members to be Stephen Ministers. Those Stephen Ministers have provided distinctively Christian care to more than 1.5 million people in one-to-one Stephen Ministry caring relationships, and have also used their caregiving skills to touch the lives of millions more.

The Stephen Ministry Logo

The Stephen Ministry logo consists of a cross and circle, together with a broken person and a whole person. The broken person behind the cross symbolizes the brokenness in our lives, while the whole person in front of the cross symbolizes how we are made whole again through the cross of Jesus. The circle represents both the wholeness we receive through Christ and God's unending love for us.

Important Notes

- **Stephen Ministers are not counselors.** They are trained to be lay Christian caregivers. Their role is to listen and care, not to counsel or advise. Please do not refer to them as counselors.
- **Stephen Ministry is a supervised ministry.** Stephen Ministers engage in twice-monthly

supervision, led by their Stephen Leaders, to ensure that they are providing the best Christian care they can.

- **Stephen Ministry is a confidential ministry.** What a care receiver tells a Stephen Minister stays between the two of them. Even in supervision, the names of care receivers and specific details are never discussed.

Hope in Zambia

A GLIMPSE INTO HOPE'S MINISTRY IN ZAMBIA AND THE HEARTS THAT SHE IS TOUCHING

I wake up, roll out of bed, and go straight for my coffee. I groggily get ready for the day and drive the four minutes to work. As I step out of the car, caffeine finally pumping through my veins, I walk over to my classroom and am greeted by a chorus of voices chanting, "Teacher Hope! Teacher Hope!" I plant my feet as my students run over to me, giving me the biggest bear hugs and trying to get as close to me as humanly possible. And that is when I remember that I am not "just a teacher." This is not a role to take lightly. I literally have the amazing opportunity to speak into the hearts and minds of these children every day and to show them the love of Christ. One hug at a time, one day at a time, the Lord is using me to help shape the future of Zambia for His glory.

My name is Hope and I have the privilege of being a Teacher's Assistant and Ministry Assistant at a missions organization in Zambia called Poetice. I spend most of my time in the classroom with my 13 kiddos or preparing teaching materials, but I also help out with some other ministry outlets that we have at Poetice, like Youth House.

Zambia's population is rapidly growing – however, there are not enough schools for the many children that are growing up in this nation. Even so, most of the schools that do exist are over-filled with over-worked teachers and do not provide a quality education. That is why we decided to start a school at Poetice

– we are pioneering a school where children receive not only a quality education, but also a place where they are welcomed, seen, and covered in the love of God.

I am beyond thankful that the Lord has blessed me with this life and the ability to share His love with these kids daily. God is so good!

I am preparing to start my second year at Poetice and I am asking for your help. Next year I will be moving to a new house, as our current housing isn't ideal for safety reasons and needs many repairs. Because of this, part of the funds that I am raising will be going towards a bit of a pricier rent, as safe housing in Zambia is not the easiest to find. The funds will also contribute to my salary, sustaining me as I carry out this ministry in Zambia.

Continued on page 9

Hope in Zambia

(Continued from page 8)

The reason that I am able to do this ministry is because the Lord has provided funds through many generous donors. I am asking if you would pray and ask the Lord if he is prompting you to join my support team, whether as a one-time donor or a monthly donor.

This year I am specifically looking for more monthly donors to add to my team as it will create a more steady and reliable source of income throughout the year. Please also consider praying for me that the Lord would give me strength as I begin another year in Zambia. I am so excited to see what He is going to do! See the link or the QR code below if you would like to donate, and feel free to email me if you have questions or just want to chat about what I do!

Blessings,

Hope Willert
