## From Your Interim Pastor

How might each of us help in the ongoing pastor search process?

Participate in the "40 Days of Prayer" emphasis. The search committee is providing materials to assist you in doing so. Such a shared prayer experience is vital to the health of a congregation and a search process.

Catch up on financial giving. Most congregations lag in giving during an interim period. While understandable, significant shortfalls negatively affect the church's ability to carry on its ministries and may hinder the pastor search. As of the end of August, we are approximately \$90,000 behind in our giving. Historically, MVBC members make up such a deficit in the last three months of the year. Let's get started now.

Celebrate the many good things happening at MVBC. For example, I'm excited by the Wednesday evening ministries with children and youth. The pastoral care provided by the staff, deacons, and others is outstanding. MVBC has a thriving senior adult ministry, too. I'm sure each of us can name other ministries to celebrate. Prospective pastors appreciate a congregation whose members celebrate their ministries.

Thank you for all you do to undergird the current ministries of MVBC and prepare for the church's future.

Mike
