

# Heath Christian School

Our philosophy is to help children develop their potentials spiritually, socially, and intellectually by providing a Christian atmosphere for children in Preschool and Pre-kindergarten.

A wide variety of activities are offered at each session.

Daily Activities include:

Bible lessons, Music/Art, Activity Centers, Recess, Snack time, Manipulative Materials

Emphasis is given to the recognition of shapes, colors, letters, and numbers. Pre-K students are introduced to kindergarten content standards in all daily activities.

Our teachers are dedicated to the safety and well-being of each child enrolled at Heath Christian School. Above all, we want to focus on listening to each child and sharing God's unconditional love as we respond to each child's needs.

Our school operates from September through May.

School hours are 9:30 a.m. - 12:00 noon.

**Preschool** classes for children ages 3 and 4 are held each Tuesday and Thursday.

**Pre-kindergarten classes** are held Monday, Wednesday and Friday for children ages 4 and 5 who plan to enter Kindergarten the next fall.

## Pre-K Extended Day Option

Held Monday, Wednesday, and Friday  
9:30am-2:30pm.

During your child's day not only will they learn academics, but we will take a trip around the world with out leaving our classroom. Explore learning through science and play.
