Missionary of the Month

We are honored to provide financial and prayer support for various missionaries around the world. This month we encourage you to pray for the **Bentley family, serving in Durango, Mexico**. The Bentley's church was able to purchase land adjacent to their property last June, and they are about half-way finished building. When the new school year begins, 6 new classrooms will be ready. Please pray the rest of the funds necessary for completing the construction will be provided. Praises that their family and the church are flourishing!
