REVEALED: Unveiling the Parables of Jesus

An illusionist's motto is "magicians never reveal their secrets." That is because once we figure out the mechanics of how each illusion is performed, the act loses its "magic." Jesus, however, shares with us all the trade secrets of being in a relationship with God and serving the Kingdom of God. Often times, it was through teaching with parables that these "secrets" were revealed, secrets such as: I can be a part of something big, God will never stop loving me, God made me to do great things, and God forgives me. Of course, kids will quickly learn that these aren't secrets at all and that they should share it EVERYONE!

RENOVATE: Building a Life With God

Taught by Pastor Sam at 11:00 and at 6:00 on Wednesdays, beginning Wed. Mar. 4 and ending Wed. April 8. Student books are \$9 each.

Renovating a house can be an exciting and rewarding experience. But the act of renovation can often leave the house in a state of disarray, causing stress and frustration. In the same way, God wants to renovate your life by altering the "old you" and creating a "new you" with an improved heart. It's not going to be easy, and your life might experience some disarray, but renovating with God is the opportunity of a lifetime.

Using the Book of Nehemiah, popular author and pastor Jacob Armstrong explores the physical and spiritual renovation experienced by the nation of Judah. Nehemiah knew that his plan for renovating the wall and gates of Jerusalem would be hard work. But equally hard would be the spiritual renovation of the Jewish people as they returned to their homeland.

Thankfully, spiritual renovation is not a do-it-yourself project. We need God's great power working through us to renovate our lives by the power of the Holy Spirit.

Chapters include:

Never Too Late for a Renovation
It Starts with Tears
What to Know Before You Build
When Others Don't Like Your Plans
Inviting Others to Come Home
The Big Reveal

Wednesdays @ 6:00 pm, Room 110

BYSTANDER John & the Rabbi from Nazareth by Andy Stanley Lead by Harriet Murray

While believing in Jesus gives hope, Christianity is not based on hope or blind faith. It's based on evidence. As an eyewitness to many of Jesus' miracles, the apostle John reminds us that the supernatural feats of Jesus are not just random acts of kindness meant to help and inspire people. They are signs that give evidence for who Jesus is.

Chapters include:

Momma Says
Living As If
Carry On!
Lunch and Learn
Open Eyes
Coexistence
Invitation To Believe

Tuesdays @ 12:00 pm, Room 108

Each of these practices is intended as part of our daily walk with Christ while also being an essential part of growing together in the church.

Books \$15, available for pickup today.

Meeting dates are: February 25, March 3, March 10, March 17, March 31, and April 14.

A simple lunch will be provided (\$5 donation welcomed) in Room 108. Hope to see you there!

Sundays @ 10:00 AM

Examine five essential spiritual practices rooted in Jesus' own walk with God.

How do we walk with Christ—daily follow him, grow in him, and faithfully serve him? Join Adam Hamilton this Lent and Easter in *The Walk* and discover five essential spiritual practices rooted in Jesus' own walk with God. In each chapter, Hamilton's engaging teaching style will help you explore one of these practices—each of which is intended to be a part of our daily walk with Christ—its New Testament foundation, and its potential effect on our personal lives and our lives together as the church.

Entering the Passion of Jesus

A Beginner's Guide to Holy Week by Amy-Jill Levine

Dive deep into the history of the last days before the crucifixion.

Jesus' final days were full of risk. Every move he made was filled with anticipation, danger, and the potential for great loss or great reward. Jesus risked his reputation when he entered Jerusalem in a victory parade. He risked his life when he dared to teach in the Temple. His followers risked everything when they left behind their homes, or anointed him with costly perfume. We take risks as we read and re-read these stories, finding new meanings and new challenges.

What is R.A.M.?

Remote Area Medical is a major nonprofit provider of free mobile clinics. Their mission is to prevent pain and alleviate suffering by providing free, quality healthcare to those in need. They do this by delivering free *dental*, *vision*, and *medical* services to underserved and uninsured individuals. RAM will open their clinic for two days at Gadsden City High School on Saturday, March 28 and Sunday, March 29. Ticket distribution usually begins at 3 am and patients are served in numerical order according to their ticket when clinic doors open at 6 am. Due to time constraints, patients must choose between dental and vision services. Medical services are offered to every patient attending the clinic. The event is free and open to the public.

Go to www.ramusa.org/event/gadsden for more information and read all about the set up for patients and how to volunteer to help with this event.
