## Change is Coming!

We are excited to announce that after 5 years in the Gospel Project curriculum on Sunday mornings, we are going to try out **Brite Curriculum by Awana**. This will go chronologically through the Bible and specifically designed for this new generation of world changers with exciting videos, lots of engaging activities that promote connection, and parent resources that will help bring these stories home to our families after a Sunday morning. Coming this October!

## Backyard Bible Clubs

Sign your 5<sup>th</sup> and 6<sup>th</sup> graders up for our once a month Backyard Bible Clubs happening in different backyards around town. This is a small group model that will be focusing on growing friendships and growing deeper in their relationship with God. Includes dinner, crafts, and a devotional book. It's been such an incredible summer in our BBC's and we look forward to our fall meet ups! [Sign up here!](#)

## Volunteer this Fall!

### Sunday Mornings

We are always looking for more volunteers to fill our classrooms and impact our kids. We have spots open for teaching positions and helpers in most grades but especially would love more help for kindergarten in the fall. Specifically, we would love **more teachers in our NEW kindergarten class (now located in our preschool room) and in our 2nd/3<sup>rd</sup> grade class** on Sunday mornings!

Now is the time to join our team!

### Fall Kick-Off Sunday

Join us at Anthem Chapel on **Sunday September 14<sup>th</sup>** for an extra special Sunday! We will have a bounce house, pastor dunk tank, and all our info on ministry and upcoming events this fall. This will be a Sunday you won't want to miss!

## Resource Corner:

*We highlight a fun resource for you to continue discipling your kids at home.*
