# LETTER FROM BRAD & MARY

Dear Partner,

Surge Legacy is a partnership through which people give generously above their tithes to resource the vision of Surge Church. **Legacy** is a word that helps us define what our financial leaders are building. It is also a powerful reminder of what God has called us to do and how future generations will be impacted. Since the launch of Surge Legacy in 2021, we have been able to accomplish so many things through the help and generous support of our partners. We have great expectation for the future God has called us to continue to build together. The Legacy we leave is exponentially greater through the Power of Partnership.

A **"Partnership"** is when "two or more people join together in a common interest." One of the greatest examples of Biblical Partnership is found in the Book of Philippians. This small New Testament Book was essentially the Apostle Paul's "Partner's Letter" to the Philippian Church. We read his opening statements to his partners in Philippians 1:3-6...

*I thank my God in all my remembrance of you, always in every prayer of mine for you all making my prayer with joy, because of your **partnership in the gospel** from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ.*

Paul, with the help of his associate Silas, started the Church in Philippi in Acts 16. The believers there were so impacted by Paul that they deeply desired to partner with him in the work of his ministry. The Philippians came into a true partnership with the Apostle Paul. Through their giving they joined together with him in the joint effort to spread the Gospel. Their support enabled him to accomplish the mission of his ministry. This is what led Paul to tell them that the good work God had begun in them He would take to completion.

God has called us to a good work through the vision He has given us at Surge Church. As we partner together, we share in the common interest of accomplishing this calling from God. Through Surge Legacy, each person plays a vital role in making this Kingdom Impact. This is the Power of Partnership in action. As we are faithful to our shared partnership in the Lord's ministry, He will complete the good work He has begun in us.

Together, we have the resources to make a greater impact and to leave a legacy for the glory of God and for future generations. Our prayer is that each of us find our place and our purpose in the vision of Surge Church.

## What Legacy Will You Leave?

Brad & Mary
