

Race on Dec 10th!
REGISTER by Dec 5th!

Each car is inspected at weigh-in for the following:

Car Dimensions & Weight

- The car must use the provided Lego Derby wheels, axles, and base
- Cars must be built **entirely** of Legos or similar bricks
- The overall length of the car shall not exceed 8"
- The overall width of the car shall not exceed 3¼"
- The overall height of the car shall not exceed 4¼"
- The car must have at least 3/8" clearance underneath the body
- The car weight shall not exceed 9 ounces
- The race scale and measurements used at check-in shall be considered final
- A scale will be available in the foyer on Sunday morning if anyone wants to check the weight of their car (9oz max)

Wheels and Axles

- The wheels may not be moved, cut, drilled, beveled, or rounded
- You may remove any seams or imperfections from the wheels
- You may polish or lubricate the axles

Car Modifications *Not* Allowed

- Wheel bearings, washers or bushings are prohibited
 - The car may not ride on any type of springs
 - The car must be freewheeling (no starting devices)
 - No loose material of any kind, such as lead shot, may be used
-

See Nathan or Kara Johnson or contact/text them at
931-510-2160 with any questions.
