Paul hears from Corinth and responds with this letter.

Sometimes we struggle. Sometimes we fail and falter. And sometimes we don't "look" so much like "holy ones" called by God to be his people ...

... But, nevertheless, _____!

Not because we so "live up to" that calling but ...

- because God makes us so
- Because he names us as his own
- Because he chooses us and loves us
- Because he proclaims and makes us holy when we ourselves are not!
