### 1 Corinthians 3:1-15

#### Co-Workers (Paul, Apollos, Others)

- Working together in the field that is the church
  - o Planting and watering, but God makes it grow
- Working together in the building that is the church
  - o Building on the foundation, but Christ is the foundation

The foundation that is Christ upon which                      in the Church and                      in the Church is built. **Matthew 7:24-27**

#### The foundation is the most important!

**V. 11** For no one can lay any foundation other than the one already laid, which is Jesus Christ.

#### QUESTION:

So, just how FOUNDATIONAL is Jesus and the message of his CROSS?

**Jesus: “Who do you say I am?”**

*“The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock.”*

- Was Paul crucified for you?
- Was Peter?
- Was Apollos crucified for you?
- Was the wise man, the scholar, the philosopher of this age crucified for you?
