1 Corinthians 8

“Now about food sacrificed to idols:”

A simple “yes” or “no” ... “permissible” or “not permissible”

Would have been the easy way for Paul to deal with this.

- But Paul doesn't do that!
- For Paul that would have been a cop out!
- That's not the way the Christian faith is supposed to work.

Grey Area = Disputable Matters

(Romans 14:1)

Paul is confessing that for him this is a non-issue:

- I would think that would have turned some heads in Corinth among the Jewish believers there!

Three Considerations in the use of our Freedom in these disputable matters:

1. Consider what you concerning an issue
2. Balance what you know with
3. Never use your knowledge to get away with a behavior
