## **1 Samuel 25: 1-42**

1. **Truth:** All of our possessions belong to the Lord's – we are only stewards of it. God entrusts us with all that we have. We are to use what we have been given to serve the Lord by serving others.
2. **Truth:** When triggered, we are tempted into an emotional response that can cause us to sin. Seek God in prayer to avoid falling into sin.
3. **Truth:** God puts people and circumstances in your life to help you, guide you, and protect you.
