## UPWARD SPORTS MAKES NAME CHANGE

---

---

### VICTORY SPORTS

#### LAUNCHES NEW SEASON

#### VICTORY UPWARD CHANGES NAME TO VICTORY SPORTS.

Victory Upward Sports will now be known as Victory Sports.

The change comes for a couple different reasons according to Director Ron Sheekels.

"We have some new ministries coming to Victory Sports that are not supported by Upward Sports"

Upward Sports covers Girls Volleyball, Soccer, Basketball, Baseball/Softball and Flag Football/Cheer. Pastor Ron has plans to unveil a few new sports outside of these 6 programs.

"God has opened some amazing doors for us in the past 3 years and we have seen a great growth. I am excited that we are having to run to keep up with what He is doing with this ministry and our community."

You will find more information about whats to come in the pages to follow.

## 2026 GIRLS VOLLEYBALL SEASON OPENS WITH A BANG

---

---

The 2026 Girls volleyball started in October with much anticipation. After a wonderful 2025 season closed we made a few changes to things in preparation for a greater 2026 season according to Pastor Ron.

Some changes made were the uniforms. Last year they had short sleeve shirts and the girls asked for long sleeve this year. We also have some new balls this year for the SR. teams with a heavier construction to keep from going out of round before the end of the year.

Look for some exciting games this year with some mighty teams coming together!

Here is a look at the first week of games for Saturday January 24th:
