JUST RAMBLINGS FROM RON

****Let's Go!****

That is the new chant we are using to celebrate Victory Sports around here. This is the first of many newsletters we aim to send out each month to keep you informed about what our ministry is doing with you and for you.

Our goal is to keep everyone as informed as possible so that you feel connected and engaged. We plan to share updates from coaches, players, and other members of Victory Sports. Together, we are making a difference in our community for Jesus and families. We've heard countless stories about the positive impact this ministry is having in homes, as well as on players and coaches.

Look for this newsletter in your inbox every month, filled with updates and information to keep you informed. We also want to hear from you! If you have questions or suggestions for topics you'd like to see in future newsletters, please let us know. We would love to consider your ideas!

Blessings
Pastor Ron
