

We are delighted that you are interested in pursuing membership at Church of the Resurrection. Membership is a valuable aspect of demonstrating your investment and engagement. It is critical for a healthy church to have a clear understanding of who has made a commitment

- to grow in their knowledge and love of Christ,
- to use their gifts, time and talent for building the Kingdom, and
- to voluntarily submit to the authority of the leadership of the local church and the broader leadership of the Anglican church.

Membership is a multi-step process.

- 1) **Attend a Res101 Membership class.** This may be one day, or multiple sessions across a number of weeks. To move forward, one must participate in all of the modules and receive teaching on all the topics included. We typically offer Res101 three times a year.
- 2) **Complete the [Spiritual Gifts inventory](#).** This is a valuable way to get a better understanding of your Spiritual gifts and how you might participate in serving as part of the Body of Christ.
- 3) **Watch the [Instructed Eucharist videos](#)** to get a better understanding of the symbolism embedded within the Anglican liturgy.
- 4) **Complete the [Membership Application](#).**
- 5) **Schedule a meeting with clergy** to allow space to answer questions you may have and to clarify the ways in which you intend to serve within the church.
- 6) Once these steps are completed, the vestry will vote on your reception into the church as an official member.
- 7) You will receive a call from a vestry member to confirm your membership. You will also receive an official Membership Letter from the rector.

Please let us know if you have any questions. We hope the Lord will guide you in this process and clarify if Church of the Resurrection is a place where you can learn to “know Christ and make Him known.”
