

## **CPC ADULT SUNDAY SCHOOL CLASSES, SPRING 2024**

---

### **ECCLESIASTES: LIVING IN LIGHT OF REALITY**

*Jacob Repokis, Daniel Lewis & Jared Poulton - Upstairs Worship Center 2W3*

Ecclesiastes offers honest wisdom for life in the mist. Join us as we dig through this challenging book passage-by-passage, explore its interaction with the New Testament and let God shape our lives with his truth.

### **EFFECTIVE EVERYDAY EVANGELISM**

*Bill Thompson - Upstairs Worship Center 2W2*

Effective Everyday Evangelism will help you learn how to share your faith in a non-confrontational way that has proven to be very effective. You will be trained to talk with others about spiritual things in a relaxed, relational way. Following a simple formula, you will be amazed how God uses you to introduce your family, friends, neighbors and co-workers to the Savior!

### **OUR WORK IN OUR FATHER'S WORLD**

*Kevin Miles & Reid Jones - Fellowship Hall*

Why do you work? Is your identity tied to what you do? Do you wonder if you chose the wrong path? In this class we plan to listen to our heavenly Father as He gives us in His Word a framework for life in this world that provides purpose, meaning, dignity, and hope -- even while acknowledging brokenness. We also plan to listen to each other as we wrestle with these questions and offer each other encouragement to keep going, to keep doing the work our Father has given us for the good and beauty of His world.

### **UNDERSTANDING DIFFICULT PASSAGES OF SCRIPTURE (JOINT HEIRS CLASS)**

*Bill Fisk, David Myers & Barry Bouchillon - Fellowship Hall Side Room 1F3*

Joint Heirs stays very bible-focused, teaching straight from a book of the bible alternating between the Old and New Testaments, and sometimes studying a book about a passage of scripture, like Tim Keller's "Prodigal God." As a class we pray for each other, including having a weekly prayer email, and will occasionally have social events and do outreach projects.

### **CPC LIFE**

*Evelyn Gaddis, Tommy Campbell - Education Building 1E6*

The CPC Life Sunday School class is for adults with disabilities to learn about the Gospel of Jesus Christ, grow in grace, enjoy fellowship, and have opportunities to serve the body.
