## Leader Guide | 3 Circles Evangelism Training

These six sessions are designed to equip you with the confidence and tools to train others in sharing the gospel using the 3 Circles method. Your role as a leader is to facilitate learning, encourage practice, and guide participants as they develop the ability to engage in gospel conversations. Our goal is to equip every member of our Restore Groups to confidently share the gospel and make disciples as part of our mission to connect people to Jesus and His ever-restoring life.
