*"And Jesus said to them, "Follow me, and I will make you fishers of people."
And immediately they left their nets and followed him." -Mark 1:17,18*

Jesus started his ministry by reaching out to others and asking them to join in. What will we say?

Gracious God, we give thanks for the many opportunities the buildings on our campus give us to worship, study, and serve in our downtown community. We also give thanks for the faithfulness of all those who prepared the way for us through their love and care of our church over many generations. We pray for your guidance as we begin our capital campaign. May we move forward with willing hearts, so our facilities can be better prepared to embrace new visions for ministry with courage and love, under our roof and beyond our walls. In the name of Jesus, we pray. Amen.
