OVERSIGHT

help*projects*

HELP stands for Hope, Equality, Love, and Prayer.

Our ministry works to help evangelism programs, impoverished countries, extend a helping hand in the event of a natural disaster, and improve the well-being of children, by providing an education and increasing their health education. Through all of this, the main goal is to plant new churches and develop Christian leaders.

The Global Outreach Team currently supports partners in five different regions:

Indonesia, East Africa, Mexico, Eastern Europe, and Southeast Asia.

Our prayer is that New Life can provide Hope, Equality, Love, and Prayer to people in those countries.

missionary in *mission*

Our Missionary-inMissions (MiM) project is all about furthering New Life's legacy as a sending church. MIM works with mission organizations all around the world. We send financial support, prayer and encouragement to a handful of church partners serving on the mission field throughout the world.

If you are a member who feel called for mission, you may contact Pastor Ricky at rickyl@nl-cc.org.

Lastly is short and long term *mission trip*

Our mission trip efforts work with mission needs on a short term basis that is close to home, about 3-5 days) and long term basis (2-3 weeks). Every vear we work with the youth and young adult ministry to send out a team from New Life for about two-three weeks to a country that we are currently supporting and partnering with outside of our own, to minister to the people in those specific countries.

HELP INDONESIA

New Life supports **mission** work throughout all of *Indonesia* primarily in the *islands and cities* of:

Papua, Medan (North Sumatra), East Java and West Java, Maluku, Bali, Riau Islands, Makassar (South Sulawesi) and Bengkulu (Southwest coast of Sumatra).

Every year, we hold events such as the Global Mission Night and Indonesian Christmas Event to raise money to help support orphanages, special needs educational programs and services, early education, and developing leaders.

HELP EAST AFRICA

Organization Share As Received (ShARe) was formed as a response to a call to help less fortunate people in improving their lives. It is dedicated to support educational needs as well as basic life needs in order to promote self-sufficiency, along with moral responsibility.

HELP easiern europe

Czech Republic

Global Partners exists in the *Czech Republic* to create organic and sustainable discipleship movements so that people would encounter Jesus through their own family, friends, neighbors, and coworkers.

In 2020, *Bryn Beyer* was called to long-term cross-cultural work in the *Czech Republic*.

She is passionate about walking alongside people as they discover their God-given purpose, nurturing spaces of belonging, and engaging in God-moments that build and lead people to transformational relationship with Jesus.

Romanía

Recently we have began ministering with *Emanuel Tundrea* in Romania.

He serves at Emanuel University in Oradea and is also in the steering committee at European Leadership Forum.

The roots of Emanuel University were planted in 1986. It initiated an underground Bible institute to train the upcoming pastors and missionaries of the Communist Romania. Today, Emanuel University of Oradea is the only government accredited evangelical Christian university in Europe.

The European Leadership Forum

The Forum's mission is to unite, equip, and resource Evangelical leaders to renew the biblical church and evangelize Europe. The Forum is a bridge connecting local leaders' needs and God's global resources.

Wycliffe & JAARS Daryl Young

Daryl Young, a missionary pilot–mechanic and aviation program manager in Cameroon, was assigned by Wycliffe Bible Translators over 20 years ago to serve in Cameroon. Daryl and his wife have returned to the US and will be working remotely from California with JAARS non–profit organization for the next couple of years. Daryl and Sun's roles in Cameroon helped to enable the work of many ministries occurring, including Bible translation.

The Navigators

She also serves regionally as a member of the Women's Ministry Team helping oversee the staff women in our region. Nationally, she is as a member of The National Training Leadership Team to help staff be more equipped to serve those under their care. In terms of internationally, Leihlyn has been part of a summer training program in Colorado since 2007 where people from around the world send students to be trained disciple makers. It is an 8-week program with in depth Bible studies.

Ambassador Fellowship

Linda Dyer

Ambassador's Fellowship is still an African American led international, interdenominational mission-sending agency that trains and sends long term mission personnel to unreached places with no access to the gospel.

Our aim is to extend the kingdom of God by replicating disciple makers that are equipped with mission strategies and resources specifically designed for mission workers and communities of color and tailored to meet the needs of the people they serve.
