## From the Pastor's Pen

Jeff Smith, Senior Pastor

### Pastor's Pen,

I genuinely hope that you and your family had a great time celebrating our nation's independence on this holiday weekend. When writing this, a thought entered my mind and heart. The thought was simply, "Freedom is never free." True freedom does and will always come at a cost. Regarding our country, that cost began with those brave men who forged the way of separation from England to form their own country. This resulted in the American Revolution, for which many brave men fought for freedom. It has been since that war for which America got its independence. Since then, each year on July 4th, we celebrate that independence, and the one thing that sets this great country apart from all the rest is our independence and freedom. However, there is another freedom that we have received, and like America's freedom, it costs something. That is the freedom from sin, and what did it cost, you might ask? Very simply, it cost Jesus Christ, the perfect Lamb of God, His life on the cruel cross of Calvary. Again, freedom may be free, but it always costs something. As you continue to celebrate the freedom we have as Americans, please do not forget the greater freedom we have in Christ Jesus.

In Christ,

Bro. Jeff Smet
