Jeff Smith, Senior Pastor

Pastor's Pen,

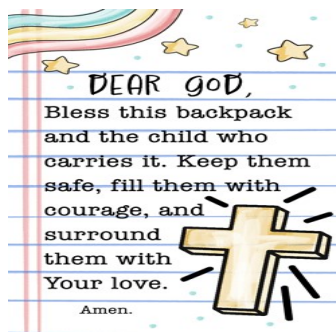

Good morning, it is good to be back with you after a great time of rest and rejuvenation for Korrie and me. The other day, as I was sitting out on the balcony of the boat and looking out across the expanse of water, I mean literally, water as far as the eye can see. I thought about this verse from Micah 7:19: "Once again you will have compassion on us. You will trample our sins under your feet and throw them into the depths of the ocean!" (New Living Translation) Now, just imagine how deep that water must be. There are depths of the ocean that stretch as far as the Mariana Trench, which reaches depths of up to 36,000 feet, for you math majors, that is approximately 6.8 miles. Wow! That is a long way, and what a demonstration of grace that is, that God would send our sins so far away.

In Christ,

Bro. Jeff Smith
