

In CRave Student Ministries our programs all have two primary goals. Our first goal is to help everyone in our ministry be formed and shaped by God as they learn to walk into the image and character of Christ. Our second goal is to grow together as the living breathing body of Christ.

Our Programs are purposefully and intentionally layered. This principle enables us to provide formation opportunities for each and every one of our students.

This is our level one ministry program. This program is open to all our students but it is intentionally aimed at helping students get started in doing life with us.

## *Circle Groups*

This is our level two ministry which is designed to help anchor students in our community while at the same time begin to help them experientially understand how to explore scripture together.

## **CROSS TRAINING**

Our level three program is the place where our students come to be trained and formed by scripture. This is more of a classroom setting that may not be for everyone but it plays an essential role in the spiritual formation of our students.

## **Join us in Raising UP a Generation ...**

When it comes to making disciples we believe in helping students love God with all of who they are. This involves teaching and ministering to their **HEART, SOUL, MIND** and **STRENGTH**. Then we walk in ministry with them as they learn to love others the way Jesus did.

## **Be Part of our Team!**

**FALL & WINTER**

**2025-2026**

## Welcome to CRave Ministries

We are a Student Ministry centered on 3 key principles. We exist to give students an environment where they can **ENCOUNTER** God through Christ-centered community, and be **EQUIPPED** in order to actively **ENGAGE** Kingdom living.

### The Three E'S

#### **ENCOUNTER**

The principle of **ENCOUNTER** is to help us connect to God and other human beings who are attempting to walk in the love of the Father.

#### **EQUIP**

The principle of **EQUIPPING** God's people is an essential component of the gospel message. We attempt to equip our students by encountering and engaging in Christ centered community, scripture and prayer.

#### **ENGAGE**

By actively helping our students **ENGAGE** their faith we are setting up an environment where your young adult is taught how to take personal responsibility for their faith formation. We emphasize teaching students how to actively engage the Kingdom of God.

### Our Philosophy

In CRave Student Ministries, our heart's desire is to have our entire community consistently formed and shaped by the heart and character of Christ. We believe that our mission, as the church, is not only to bring students into salvation but also to teach them how to live out our collective identity as the body of Christ.
