

For Discussion:

1. What is a great example of God's design or engineering in nature that stands out to you?
2. How does the recognition that God is the Designer affect how you view the world?
3. How is the cross God's greatest act of engineering?
4. Read Romans 8:28, Proverbs 16:9, and Jeremiah 10:23. What do these passages tell us about God's working in various situations?
5. Read John 3:16, Acts 4:12, and Romans 10:9. What do these passages tell us about God's love and Jesus' work on the cross?

For Response and Application:

1. Have you given your life to the one who made you and died for you? If not, what is holding you back?
2. Give an example from your life where God engineered a situation into something good for your benefit.
3. What does it mean to you that an all-powerful, loving God with perfect understanding is in control of your life and all things?
4. Are you prepared to explain the gospel to others in an easy to understand way?
