

For Discussion:

1. What do you think about the concept that even Christians can be taken captive by false ideas?
2. What are some areas where some Christians today have accepted wrong thinking?
3. What about you? Have you believed any lies?
4. What is the antidote to wrong thinking? How do you know what is true?
5. Read Romans 12:2 and Ephesians 4:17-24. What do these passages say about how we think? What do we need to do to think rightly?

For Response and Application:

1. Have you been taken captive by hollow and deceptive philosophy?
2. Do you disagree with anything the Bible says? What will you do about it?
