

For Discussion:

1. Do you have family and friends who attend Pentecostal/charismatic churches? If yes, what is your experience with them?
2. Have you experienced a church service where there was speaking in tongues? Do you know people who speak in tongues?
3. What questions do you have about speaking in tongues?
4. Has someone ever prophesied over you or given you a word of knowledge? If yes, what did they say?

For further study:

1. Read 1 Corinthians 14. Summarize verses 1 through 5 in your own words.
2. What are the three analogies in verses 6 through 12 and what point is Paul making?
3. Summarize verses 22 through 25 in your own words.
4. What is the main point of verses 26 through 40?

Application and Response:

Write a thank you to Pastor Scott, Aimee Conley (Administrative Assistant for Worship Arts), and the worship leaders for all the time and energy they put into planning worship services that are spirit-filled and at the same time orderly.
