

Poole Elementary Ministry

A Community Outreach to the Students & Staff at Poole Elementary, Dallas, GA

Calvary Chapel Dallas is privileged to serve a number of children at Poole Elementary and to partner with the school and provide food for them over their school breaks; Fall, Thanksgiving, Christmas, Winter, and Spring Breaks. Please note that these children may not have adult assistance, therefore we need to have items that do not require the use of a can opener or a stove top!

May God bless you and your family as you bless these little ones.
